Key Features

1 60 Slots

Accommodate a wide range of snacks and drinks, giving you flexibility to meet customer demands.

3 Commercial-Grade Compressors

Keep products fresh with powerful, energy-efficient cooling, a key feature of modern fridge vending machines designed to maintain optimal product quality.

5 Conveyor Belt or Spring Dispensing Options

Choose the best dispensing system for your product mix—built for versatility.

2 5-Inch LCD Display

Offers a sleek, user-friendly interface that makes it easy for customers to navigate.

4 Temperature Control

Maintains temperatures between 39.2°F and 77°F, ideal for storing both perishable and non-perishable items.

6 300-400 Item Capacity

Perfect for high-traffic locations, ensuring fewer restocks and maximum uptime.
